Skit on cleanliness drive at Mysore

While recalling the Gandhiji's principles and his ideals, Shri Hota said, "let us a pledge for contributing towards a healthier environment by not using single-use plastic in all walks of life.

On this occasion a short AV was released on BEML's contribution towards a better society with environmental concern in line Gandhiji's vision for a better society and dedicated the film to the Mahatma.

Gandhiji's favorite bhajans were sung and Swachhta programmes were also organized to create awareness on cleanliness. Skits were enacted to educate on environmental hazards, safe driving and social elimination of ills.

Large number of employees and executives took part in the programmes.
