

AS A PART OF GREEN INITIATIVE - BIO-GAS TO MEET COOKING FUEL REQUIREMENTS AT BEML, BANGALORE COMPLEX

BEML Limited, a Public Sector Undertaking, under the Ministry of Defence is continuously engaged in promoting greenery and environmental protection activities. As part of such initiatives, BEML has established a Bio-Gas Plant at its Bangalore Complex for its internal consumption to meet the requirement for cooking fuel.

At a function held today at Bangalore Complex, Shri Subhash Chandra, IAS, Additional Secretary, Defence Production, MoD and Shri D K Hota, Chairman & Managing Director, BEML inaugurated the Bio Gas Plant in the presence of Directors and Senior Executives of the Company.

This Bio Gas Plant has a capacity input of Bio Waste 500 Kgs per day and generates Bio Gas about 15 Kgs per day. The savings of LPG gas cylinder is around 19 Nos. (390 Kgs) per month. The Bio Gas so generated will be utilised for cooking requirements in the complex canteen.

OTHER GREEN INITIATIVES

BEML is generating electricity through wind mills and solar power plant for its own consumption and also 'no plastic zone' has been created in its complexes and town ships. Saplings are also distributed to BEML employees and executives to promote greenery and protect the environment.
